

## **1. ORDERING AND SUPPLYING THE STUDY EQUIPMENT (RHINOCHILL SYSTEM, ACCESSORIES AND ALL DISPOSABLE)**

BrainCool AB will provide the RhinoChill System with all necessary accessories for use in the PRINCESS-2 trial. The equipment will be delivered directly from BrainCool AB once the site has been enrolled into the study. If, at any time during the clinical study, a device becomes unserviceable, the clinical research team from that site will contact the BrainCool study support team, who will then arrange collection of the device and swap it with a replacement device.

The supply order can be directly done in Sweden and German-speaking countries using following info:

### **For Sweden:**

**To:** Mohammad Fazel  
**Cell:** +46-72-501-9988  
**E-mail:** [Mohammad.fazel@braincool.se](mailto:Mohammad.fazel@braincool.se)

### **For Austria, Belgium, Czech Republic, German speaking countries:**

**To:** Elmar Landwehr  
**Cell:** +49-173-2866303  
**E-mail:** [elmar.landwehr@braincool.se](mailto:elmar.landwehr@braincool.se)

### **Supply the following when ordering:**

Amount needed:  
Name of recipient/contact:  
Correct shipping address:  
Telephone number and e-mail for contact person:

## **RETURN OF ALL EQUIPMENT**

At the conclusion of the study, members of the research support team at each site will collect all the equipment and inform BrainCool to arrange for collection.
