Networking mingle

Meeting specialists over a broad range of fields

# What was extra good with this meeting?

Time to meet with each other and exchange ideas

Meeting colleges  
discussion research

Getting to know many people doing cancer research at KI

Chance to know more about cancer research at KI

Relative small format. Inter-departmental. Many breaks and interaction. Much and short presentations. Kind atmosphere.

Exchange ideas

For starting collaborations  
For getting to know people

# What could have been done better in this meeting?

Not much - great format!

?

More time for swimming

The microphone situation

Bensträckare

Sticking to presentation format  
less in depth results more big  
picture

More wine

Elevator pitches slightly  
longer

# What could have been done better in this meeting?

it was great

More topics such as  
epidemeology

May be some common  
activity, like games?

Maybe less talks overall (2-  
3 less per day)

Most was great! Could  
finish 1h earlier to get  
home for dinner.

Presentations from all  
departments

The bus

More time to mingel an  
talk. And you should have  
booked the SAUNA

# What could have been done better in this meeting?

Several important PI's are missing, e. g. From SciLife, PCM, molecular pathology, mm

2 min longervtalks less tight orogram

Later morning start

More cancer PI

Including panel discussion

Some other non presentation activity, physical activity

Maybe more shorter presentations.

Less presentations more strategic diskussions

# What could have been done better in this meeting?

More Clinical PIs

More time for discussions  
(mingle)

More free time

AVThematic sorting of  
presentations

Group discussions

Have the rektor around to  
see and appreciate
