

ADVANCED ZEBRAFISH Husbandry Course

November 10–12th 2025

The zebrafish core facility at Karolinska Institutet, in collaboration with Nord University, would like to invite you to the annual advanced zebrafish husbandry course at Karolinska Institutet in Stockholm.

The aim of the course is to teach evidence-based methods for housing and care of zebrafish as well as surgical procedures.

The course will include the following topics

- Biosafety and biosecurity of zebrafish research facilities
- Rotifer culturing methods
- Breeding and rearing zebrafish
- Keeping of zebrafish and general husbandry procedures
- Commonly used procedures
- Cryopreservation and IVF
- Aquatic techniques, including water quality

The number of course participants is limited to 12. The course fee is 6500SEK excl. VAT and covers all materials, coffee breaks, lunch and one dinner. CPD points will be awarded for the course.
