

# The Network for Movement and Physical Function invites to the uMOVE Core Facility open house

## Program

**13:00** Introduction – David Moulaee Conradsson

**13:15** Mingle and practical demonstrations:

- Brain activity using functional near-infrared spectroscopy (fNIRS)
- Gait and functional movements using mobile motion analysis systems
- Physical activity measured with accelerometers

**Day:** Tuesday 12th May **Time:** 13:00–15:00

**Place:** Gävlegatan 55, Karolinska Universitetssjukhuset, Solna

Register at: [motion-nvs@ki.se](mailto:motion-nvs@ki.se) Coffee and fika will be served.
