

Dear friends,

We are delighted to welcome you to Copenhagen for the annual meeting of the Nordic SBRT Study Group, taking place on 28–29 January 2027 at the University of Copenhagen, Panum Institute.

The meeting brings together clinicians and researchers from across the Nordic countries to share clinical experiences, discuss ongoing and planned SBRT research, and explore opportunities for future collaboration.

This year's program will cover a broad range of topics, including SBRT for lung cancer and oligometastatic disease, SBRT combined with systemic treatment, treatment planning and delivery, reirradiation, and new perspectives in SBRT.

The preliminary program will be available soon.

Registration

Please register using the link below. **Registration deadline: 11th December.** Places are limited, and registration will be on a first-come, first-served basis.

Call for presentations

We still have a few slots available for presentations (15–20 minutes). If you would like to present your research, share clinical experiences, or discuss an SBRT-related topic, please contact Gitte Persson (Gitte.Persson@regionh.dk) and Mathias Dreyer Teller (Louis.Mathias.Dreyer.Teller@regionh.dk).

Accommodation and travel

Participants are responsible for their own travel and accommodation expenses.

Accommodation is available at Hotel Kong Arthur at a reduced rate using the booking link below. The link is active until the 27th of November.

We look forward to seeing you in Copenhagen!

Best regards,

The Nordic SBRT organizing committee

If you have any questions, please contact your country representative and Gitte + Mathias.
