Introduction

We warmly welcome you to the 31 st Scandinavian Sarcoma Group Working Group Meeting which will take place in Stockholm on November 30-December 1 2026! The meeting will be held at Hotel Birger Jarl which is located in central Stockholm.

The SSG WGM is this year arranged in a collaboration between SSG and the Department for Paediatric Oncology at Karolinska Institutet.

Monday
On Monday morning we will start with the SSG General Assembly where we will have a discussion about the work of SSG and how we could continue to work within the Nordic region and where the yearly WGM should be arranged in the future.

At the end of the session, we will have the election procedure to introduce new members. This year we will elect a new chair for SSG

In the next session we are happy to welcome Professor Pjotr Rutkowski from Warsaw who will give a lecture about ¨Immunotherapy in sarcoma¨ followed by Professor David Gisselson Nord from Lund who will talk about ¨Integrating multiomics and clinical data: ”BraAInChild: building an integrated data ecosystem for childhood cancer”.

On Monday afternoon and Tuesday morning all working subcommittees will have their own program and will comprehensively discuss selected topics. The working groups will give a short summary of their work on Tuesday morning

This year we will also have a poster session on Monday evening with mingle at 6 o’clock at the hotel.

On Monday evening dinner will be held at Hotel Birger Jarl at 7 o’clock.

Tuesday
On Tuesday, will have a common session with the Patient Advocacy Groups to discuss aspects of the sarcoma care and how the care could be improved.

The Visceral and retroperitoneal sarcoma working group will have their meeting on Tuesday afternoon and we hope that as many as possible can participate!

We would also like to thank all our sponsors for making this meeting possible!

Christina Linder Stragliotto
Chair of the Scandinavian Sarcoma Group
