2018

Olga Voevodskaya
Magnetic resonance imaging and spectroscopy in at-risk populations and preclinical Alzheimer’s disease

Antoine Leuzy
Dynamics of proteinopathies in Alzheimer’s disease as measured by PET and CSF biomarkers

Michaela Karlstedt
Exploring the influence of Parkinson’s disease on relationship quality

2017

Soheil Damangir
The matter of white and gray matter in Alzheimer’s disease

Farshad Falahati Asrami
Neuroimaging biomarkers in Alzheimer’s Disease

Katja Schubert Samuelsson
Elderly patients undergoing colorectal cancer surgery – can care be further improved?

Helga Eyjolfsdottir
Nerve Growth Factor in Alzheimer’s disease: biological effects and therapeutic potential

2015

Xiaozhen Li
Study of Neurodegenerative Diseases with NovelMRI Techniques

Carlos Aguilar
Computerized Tools: a Substitute or a Supplement when diagnosing Alzheimer’s disease?

Seyed Mohammad Fereshthenejad
Neuroepidemiology of Parkinson’s disease in an urban area of Iran: From screening and prevalence to nutritional, clinical and psychiatric features and quality of life

Adam Sierakowiak
Experimental Magnetic Resonance Imaging modalities as tools to evaluate brain function, structure and networks: Exercise and cocaine induced adaptations

2013

Örjan Skogar
On the effects of Tactile Touch in Parkinson’s Disease patients

Birgitta Ausén
"I don’t recognize myself", personality characteristics in subjective cognitive impairment and mild cognitive impairment

2012

Raffaella Crinelli
When I show the Beatles then you say: "Ramones!": imaging semantic memory in Alzheimer’s disease and semantic dementia

Olof Lindberg
The aging frontal lobe in health and disease. A structural magnetic resonance imaging study

2010

Ahmad Delbari
Epidemiological and recovery facilitating studies of an urban population of stroke patients in Iran

2009

Westman Eric
Magnetic resonance studies in Alzheimer's Disease (2009-10-16)
2008

Freund-Levi Yvonne
Omega-3 fatty acid treatment in mild to moderate Alzheimer’s disease: results from the OmegAD study (2008-06-13)

Östberg Per
Lexical and articulatory aspects of speech production in cognitive decline (2008-05-16)

2007

Famer Daniel
Implications of cholesterol and cholesterol-lowering therapy in Alzheimer’s disease (2007-08-27)

Andersson Christin
Predictors of cognitive decline in memory clinic patients (2007-06-08)

Annerbo Sylvia
Development of dementia in mild cognitive impairment (MCI) patients with focus on B-vitamin (2007-05-25)

Vannini Patrizia
Functional neurobiology in normal aging, mild cognitive impairment and Alzheimer’s disease: Focus on visuospatial processing using functional magnetic resonance imaging (2007-05-11)

2006

Josefsson Karin
Municipal elderly care: Implications of registered nurses’ work situation, education, and competence (2006-12-14).

Lasn Helen

2005
Pettersson Anna
Motor function and cognition: aspects on gait and balance (2005-12-16).

2004

Faxén-Irving Gerd
Nutritional status and cognitive function in frail elderly subjects (2004-09-03).

Cornelius Christel
Drug use in the elderly - risk or protection? Findings from the Kungsholmen project (2004-03-19).

Heikkilä Kristina
The role of ethnic identity in care of elderly Finnish immigrants (2004-02-20).

2003

Götell Eva
Singing, background music, and music-events in the communication between persons with dementia and their caregivers (2003-09-12).

Sunvisson Helena
The embodied experience of living with Parkinson’s disease (2003-06-06).

Ebbeskog Britt
Elderly patients with slow-healing leg ulcers - an embodied suffering (2003-05-09).

2002

Lindau Maria
Clinical differentiation between frontotemporal dementia and Alzheimer’s disease (2002-12-20).

Andersen Christian
On characterisation and diagnostics of Frontotemporal lobar degeneration syndromes (2002-10-10).
Hertzberg Annika
We, not them and us - A utopia? Relatives and nursing home staff’s experiences of and views on each other (2002-10-09).

2001

Sonde Lars
Rehabilitation after stroke. Effects of length of stay and treatments to facilitate motor recovery after stroke (2001-04-27).

2000

Palo-Bengtsson Liisa
Social dancing as a caregiver intervention in the care of persons with dementia (2000-12-15).
