

Forming a PhD-student/supervisor constellation – expectations and development

Adapted from “Successful Supervision – A Dialogue Facilitator”

[https://staff.ki.se/sites/default/files/migrate/successful supervision - a dialouge facilitator 0.pdf](https://staff.ki.se/sites/default/files/migrate/successful_supervision_-_a_dialogue_facilitator_0.pdf)

Date:	Doctoral student Name:	Main supervisor Name:
My goals are...		
Successful collaboration between us will mean...		
Division of responsibilities between student/supervisor		
What do I expect from you?		
Structure and frequency of supervision meetings		
How long will the project take?		
Courses and travel, conferences and posters		
Working hours and work required		
If conflicts arise...		
When something happens – what do I expect of you?
