

2nd NANOSAFETY FORUM FOR YOUNG SCIENTISTS

Visby, Gotland, Sweden
15-16th September, 2016

Abstract submission deadline: May 30
Early bird registration deadline: June 30

Contact: NSCForum2016@imm.ki.se

Nanosafety for young scientists

The EU Nanosafety Cluster and the FP7-eNanoMapper project jointly organize a scientific conference which focuses on oral presentations by young scientists working in EU-funded and national nanosafety projects.

The event is an open forum for young and senior scientists working in the nanosafety research field, where they can have the opportunity to exchange scientific information and learn from each other.

A brief abstract should be sent to:
<http://www.trippus.net/nanosafetyforum2016>
before **May 30, 2016**.

The presentations will be selected by the scientific programme committee from the submitted abstracts. There will be no poster sessions.

Registration

Registration form :
<http://www.trippus.net/nanosafetyforum2016>

Registration fee **75 €** includes;

- Access to scientific programme
- Lunch and coffee breaks
- Banquet at Gotland Museum
- Guided tour of Gotland Museum & Visby

Early bird registration deadline: **June 30, 2016**

Venue

A former Viking settlement on the island of Gotland, about 100 km from the coast of Sweden, the Hanseatic city of Visby is arguably the best-preserved Medieval city in Scandinavia and since 1995, it is on the list of UNESCO World Heritage Sites. As the ancient city walls still stand and surround the old part of the city, Visby gives a taste of what living in Medieval times must have been like.

The meeting will be held at the Gotland Museum (*Sävesalen*), and the banquet will be held in *Bildstenshallen* at the Gotland Museum.

Overview of programme

Thursday, September 15, 2016

Keynote speakers

Selected presentations

Coffee break - *meet the experts*
